

The image shows three brown upholstered armchairs arranged in a row on a dark, polished wooden floor. The chairs are viewed from a slightly elevated angle, showing their curved backs and padded seats. The lighting is soft, highlighting the texture of the fabric and the grain of the wood. The background is dark, making the chairs stand out.

THE BEDFORD COLLECTION
idea book

7 different lengths, 10 different arms, 8 different top rails, and 40 legs.... Add these all together and the Bedford Collection can help you create over 20,000 designs. All the possibilities can seem a bit intimidating, but we encourage you to be more excited than overwhelmed.

To help you explore the possibilities of the Bedford Collection we have put together this idea book of sample configurations. Granted it's only 20 of the 20,000 possibilities, but we are sure it will get your gears turning.

Are you ready?
